

Donations of Products

Donation of Products

An in-kind donation is anything and everything that you give that we can recycle to better serve our client, volunteer, therapy dog or handler.

For example, office supplies, pet accessories like leashes and toys, flea medications are all considered in-kind donations.

We rely on donated.

- office supplies, office furniture, shopfront displays and fittings, business signage to fulfill requests and reduce costs.
- Art & craft supplies & items, gardening tools, plants, and supplies, adapted equipment for people living with a disability.
- dog foods & medication (example flea treatments etc) to fulfill requests and reduce costs for our therapy dogs and handlers.

We can accept:

- donated office supplies, office furniture, etc.
- shop front displays.
- signage

We cannot accept:

Because of the rapidly changing nature of technology and the requirements of our office network, we are unable to accept used computer equipment.

We can accept:

- donated animal food - that have not been opened or used.
- medications - that have not expired.

We cannot accept:

- expired food or medications Therapeutic Dog Services relies on donated pet items to fulfill requests and reduce costs for our therapy animals.

We can accept:

- We ask that used items be in good condition.
- Donated litter boxes and carriers are cleaned first.
- Therapeutic Dog Services relies on donated gift products, human and pet products to stock the online and events retail shopfront, all proceeds are used towards fundraising for service delivery of Programs.

We can accept:

- Dog Products, Human Products, and Gift wears
- Crafters items and group or club contributions

We cannot accept:
